One of our most important ministries here at CBC is our Home Fellowship Groups, a small group ministry that meets on the second and fourth weekends of the month. Home Fellowship is probably the best way for you and your family to develop the deeper friendships you need to truly connect to the body and grow together in Christ.

Our groups meet throughout the Nashville area and vary in composition and demographics. Each group has its own time and place for meeting — some at the church and some in area homes at various times through the second and fourth weekends each month.

Home Fellowship Groups are designed to provide a close-knit group for fellowship, prayer, and Bible study. Oh, and did we forget to mention good food?

On the following pages, you'll find information about each group which will help you to select the one that best meets you and your family's needs.
